

ARGENTINA

MENDOZA

VARIETAL COMPOSITION

White Blend

ORIGIN

Located at the northern part of Maipú.

AGEING

The white varieties are vinified separately. After fermentation, the winemaker performs the coupage between them, then increases their sugar content with white grape must. The wine is stabilized, filtered, and immediately bottled.

TASTING NOTES

APPEARANCE Yellow color with slight greenish hues, full of brightness and transparency.

NOSE Fruity and fresh aroma with floral and terpenic notes.

MOUTH Velvety and fresh, with balanced acidity. A fruity and persistent finish, reaffirming the harmony between acidity and sweetness.

WINEMAKERS

Juan Carlos Chavero
